BRIDGE Lab

Activity 6.2

My Action Plan

When setting your own goals, keep in mind the learnings and reflections you have made during the BRIDGE Lab sessions. Write down your goals and next steps, it will help you to concretize how you can have an impact and build a more inclusive (school) environment.

<u>Step 1:</u> At school and in my class: What kind of practical actions or steps could I do next to have a positive impact on building a more inclusive school? Can I recognize specific challenges and how I am going to tackle them?
